

# Textura Mobile and Textura Light

Block out distractions wherever you are  
while keeping your notes close at hand.

Textura Mobile and Textura Light blend sound-diffusing acoustic panels with durable CeramicSteel writing surfaces for a multipurpose collaborative worktool on wheels.

---

### **Versatility Redefined**

Allow users to capture ideas anywhere while reducing noise in busy workspaces. Textura Mobile and Textura Light are made with premium materials including CeramicSteel whiteboard panels, textile-covered acoustic sound-absorbing panels, and casters that lock and unlock so it can roll smoothly.

### **Safe, Adaptable Privacy**

The possibilities with Textura Mobile and Textura Light are vast. Create separate spaces and barriers between workers or students, place multiple boards together for larger brainstorming sessions, relocate for impromptu collaboration, or effortlessly store it out of the way to save space.

### **Features**

- Writing board made from smooth, inorganic CeramicSteel
- Acoustic core and textiles made from recycled materials
- Smooth-rolling casters with locks
- Sound-absorbing panels
- Sturdy aluminum frame
- Easy to clean
- Strong magnetic capability on CeramicSteel side only
- Resistant to scratches, stains, fire and bacteria
- Nests for space-saving
